- Welcome/fundraising information went out to teams following registration. Amanda will follow-up in mid-July with a Fundraising reminder.
- We previewed this year's medal design. Volunteers will print labels and we will assemble medals at our next meeting.
- All games are in place and most have volunteers assigned to run them.
- We need to confirm use of easels, white board, bull horn, ipod dock or boom box, tiki torch, and tables.
- We are in need of an official photographer. Several names were suggested.
