Note: This proposal is not a contract. Students may submit amendments as needed. Course availability depends upon scheduling, departmental controls, and enrollment controls. If a course on this proposal is not available, the student must select an appropriate substitute course and submit an amendment for approval. Proposal must be submitted and approved by the end of the fourth semester (prior to completion of 60 credits). This application is not an official change of major. Upon proposal approval and verification below that all entrance-to-major requirements have been met, the student must file the official change of major form.
