

French and Francophone Studies

MEET DHRUV

Dhruv is majoring in French and Francophone Studies and Chemical Engineering.

At Penn State, he works as an alumni relations specialist/calling shift supervisor and as an instructional aide and student grader for the Eberly College of Science and the College of Engineering. Dhruv also previously worked as an undergraduate student researcher for the College of Engineering.

In addition, he served as a contributing editor for the DR Club. He also founded a south Asian cultural club, the Mohona Cultural Club, which focuses on promoting lesser-known subcultures of the Indian subcontinent and serves as a community for international students.
